

HEAVY RAINS last week--with the weatherman tossing in a batch of snow and sleet as a bonus -- caused flooding of fields and highways and caused creeks to overflow. Above, at the right is a view along Hickory Creek to the east of Wolf Rd. The house is the residence of Paul E. Charles, south of the creek and the building at the rear is the garage, against which the water was lapping at noon last Thursday when this picture was taken. The picture above, left, shows how the creek was spreading out west of Wolf Rd. The dredging of Hickory Creek near its mouth in Joliet serves to carry the water away faster and so is beneficial to the Mokena-Frankfort-New Lenox area. (Graphic Newspapers' photos)

Apparently Someone Put A Tiger In May's Tank

The heavy rains of last week--more than 3.50 inches, caused Hickory Creek to overflow its banks, flooded field, highways and many householders had to contend with flooded basements.

As usual, the underpasses where U.S. 45 and U.S. 30 dip under the Rock Island tracks were so deep with storm water as to be impassable.

Traffic that used U.S. 30 to Joliet had to detour because of the flooded underpass near the entrance to Pilcher Park. Traffic on U.S. 45 was detoured over 187th St. and 104th Ave., when coming from the north and on 191st street when approaching from the south.

This is the second time

this spring that the state highway department has used these detours with considerable damage reported on 187th and 104th because of their use by heavily laden trucks. These roads are gravel and not intended for heavy vehicles, it was pointed out.

It has been suggested to the highway department at the Elgin office that when similar conditions arise again that at least the truck traffic be diverted at 159th St. and U.S. 30 at the junction with U.S. 45. Both 159th and U.S. 30 have concrete bases, as has Wolf Rd. and Oak Park Ave.

Snow and below freezing temperatures were also a part of the weather picture last week and added to the woes of gardeners and farmers. There are a few commercial fruit growers in the area who are said to have had severe damage to their crops and persons growing flowers will have to start over again in many instances.

Area farmers, already a week late with their work suffered another delay as a result of the heavy rains last week. It was said last Thursday that if there were no more rains for a few days that it would be another 10 days before farmers could get back in the fields -- if more rain fell the delay would be longer.

Those who have planted corn or beans, it was said, may have to replant those fields.

On Wednesday morning of last week snow covered the ground in some sections.

There were some homes in the Lincoln Estates area near Hickory Creek were

threatened when that stream overflowed Thursday morning but the waters receded before entering any dwellings. Pumps were put to use in many sections, however, to rid basements of water.

Orland Park had about the same amount of precipitation Thursday as the rest of the area and the fire department had calls from a number of people with flooded basements. The same situation was reported in the other communities. Tinley Park had a lot of storm water problems but nothing like those reported at Markham and Harvey. Boats supplemented automobiles in some localities.

What is normal precipitation for May, 3.73 inches, was exceeded in less than a week.

Needham In, Oster Out, Circuit Court Decides

An official census that was completed prior to the township election last spring showing Frankfort Township to have a population in excess of 7,500 has resulted in court approval of the election of Berle Needham, Mokena, as an assistant supervisor.

But in the same ruling, made by Circuit Judge David E. Oram, the election of John Oster, of New Lenox, and two others as assistant supervisors, was declared invalid.

The court held that only official census figures counted and that the record showed the last official census taken of New Lenox, Plainfield and DuPage Townships was in 1960. At that time the population did not reach 7,500 in those townships and the law relating to county board membership requires such a count before an assistant supervisor can be elected.

Relieved of their duties,

in addition to Oster, are Attorney Thomas Wilson, of DuPage, and Allan Mauer, of Plainfield.

These three townships reached their population figures thru what they deemed reliable sources, including voter registration, utility companies counts and other means but the court ruled only the official federal census counted.

It so happened that the victorious candidates were all Republicans.

The legality of the election of these men was challenged by State's Attorney George Sangmeister, Democrat, on the census issue, and he filed suit in circuit court.

With the removal of the trio of assistant supervisors the Republicans still have a majority on the Will County Board. They have 24 members and the Democrats 19.

Assistant Supervisor Needham, who until his retirement last year was a

high ranking official of the Rock Island Lines, dealing with its financial affairs. He heads the finance committee on the county board and his work there has been reported as outstanding.

When the Frankfort Township ticket was selected by the Republicans they did not name a candidate for assistant supervisor nor did the Peoples Ticket. The latter group intended to make capital of the fact if the Republicans put up a candidate, on the grounds that the official census did not show 7,500 residents in the township. However, on Marcy 23, there was a special official census completed, attested to by the U. S. Census Bureau, showing the population to be over 8,000.

When election day rolled round the voters wrote in Needham's name for assistant supervisor and he was declared elected. Now Judge Oram's decision has made it official.

Arts Festival Opens Tonight At Sandburg

BY DEBBIE WHITTLE

Starting tonight, teenagers will show their creative talents at the tenth annual Arts Festival at Carl Sandburg High School, 133rd and LaGrange Road. The festival will be open tonight, Friday evening, and Sunday afternoon. There is no admission charge, and free refreshments will be served.

Displays and demonstrations in the girls' gym will represent the art, home economics, music, and speech departments and the camera club. The displays will be open 7-10 p.m. tonight, 7:30-10:30 Friday, and 2-5 Sunday afternoon. Special events are a PTA meeting at 7:15 tonight and a style show from 8:30 to 9:30, three one-act plays at 7:30 Friday, and a joint band, choir, and orchestra concert at 2 p.m. Sunday.

"The Tea Garden of Fashions," the home economics style show, will display spring fashions in the setting of a Japanese garden. Tea and fortune cookies will be served. The economics students wrote to the Japanese embassy in Chicago to get authentic dolls and lanterns for decorations.

The Salem witch trials and a mother who steals her daughter's boyfriends are the subjects of two of the one-act plays in the drama contest Friday night. "Cry Witch" is adapted from Arthur Miller's "The Crucible"; the second play is "The Monster".

The third play will be either "Hillbilly High Jinks", the adventures of a lazy hill sheriff, or "Fumed Oak", which is, according to speech teacher John Lehr, an "unpleasant comedy" about a henpecked husband.

The plays will begin promptly at 7:30, and the judging will end at about 10:30. A half-hour intermission will be included so that the audience can see the displays. The plays are the

three best of five one-act plays prepared by speech classes.

Cartoon background music and Sousa marches will be heard at the concert Sunday. Von Suppe's "Morning, Noon, and Night", which band leader Milton Potter said every teen-ager has heard on kiddy shows, will be played. Sousa's "The Thunderer" is among the other numbers. The program, said Potter, will be "reminiscent of the park band concerts."

Selections from Rodgers and Hammerstein's "Carousel" and "Three Hungarian Folk Songs" by Seiber, sung at the district music festival, are choir numbers. The orchestra will describe New York in music in "Manhattan Vignettes" by Stuart. "Russian Sailors' Dance" from the ballet "The Red Poppy" by Gliere is another selection.

Music To Highlight Mokena PTA Meet

Music will highlight the last meeting of the Mokena PTA for this school year. The meeting is scheduled for 8 p.m., Tuesday, May 24, in Carpenter Street school.

Officers who will serve thru the coming year will be installed. Mrs. Robert Best, president; Mrs. Kenneth Heim, vice-president; Richard Quinn, second vice-president; George Krueger, treasurer and Mrs. William Bradley, Jr., secretary. Lyman Teague will give

a report on the progress made by the Lay Citizens Committee on education.

Girl Scout Cadette Troop 97 will present the Colors. Refreshments are to be served by the first grade room mothers.

Mrs. Russell Bennet, outgoing president, extends a special invitation to this meeting, not only to present PTA members but also to parents whose children will be entering first grade next fall.

For the present the Mokena school library will be closed on Saturdays but plans are in the making to have it open one day a week, from 10 a.m. to noon in June and July. The help given by the PTA library volunteers the past year has been appreciated.

Frankfort Plans Parade, Games For Memorial Day

The Legion post also will furnish a detachment to participate in the ceremonies at the War Memorial at Lincoln Estates.

At Frankfort there also will be a brief service and the laying of a wreath at the Memorial monument, when the parade halts for a few moments in front of the village hall.

The parade will move on then to the cemetery and after the services there it will disband and participants will flock to the park.

Those in charge have planned a busy day. What is left of the morning will be taken up by the youngsters. Four contests are planned for each grade, from kindergarten to eighth. There will be rope jumping and foot races for the girls, and foot races and ball throws for the boys, with three prizes offered in each event.

ONLY \$14.72 OWING ON FRANKFORT WATER BILLS

Village Clerk Walter Pfaff has a record for collecting water and sewer bills that is the envy of practically every municipality in the region. Most municipalities have large sums due on water and sewer bills but Frankfort is not one of them.

The books for the past year, from May 1 to May 1, show that more than \$50,000 was collected by Pfaff from water and sewer users. The total amount delinquent -- hang on to your hats -- is \$14.72, and Pfaff has hopes of eventually whittling this

down.

The Frankfort system is a simple one. Every water user, whether he be owner of the property or tenant, is required to post a \$25 cash deposit with the clerk before the water is turned on. If the bill gets up to this amount or if it is delinquent for the specified time, the water is shut off and service is not restored until the account is paid. Pfaff, it could be said, wields the shutoff key with a firm hand and Frankfort isn't plagued with delinquent water bills.

Arbury Hills

Parade to Open Baseball Season

MRS. EDWARD HOVI
Telephone: 479-5740

The official opening of our baseball season this Sunday afternoon, May 22, will be heralded by the annual parade, with the line up at 12:30 p.m. and the parade itself beginning at 1 p.m. It will wind throughout Arbury Hills and complete its route at the baseball field behind the Texaco gas station, where the various awards will be given out during the afternoon on the parade units.

A double header is scheduled to begin with the two farm teams battling each other in their usual enthusiastic manner.

The second game will see the "A" team of nine to twelve year olds meet head on with the team from Lincoln Estates. Most of these boys have had at least two years of previous little league experience within the area, and play with more skill along with their enthusiasm.

There are six teams formed this year, some of them in conjunction with the Lincoln Estates boys. Two farm teams were formed with Bud Cumbee managing and Len Guntz as coach of the #1 team, and Don Rutan managing and Len Lacey coaching the #2 team.

The second group of teams consist of the little league age boys. The "B" team is managed by Joe Mangan and coached by Connie Karp, the Lincoln-Way League team referred to as the "A" team is managed by Foster Tekotte and coached by Bob Lindeman.

The Lincoln-Way Pony League team is a combined team with Lincoln Estates and are managed by Jim Hoyer from Arbury Hills and coached by Bill Lachowicz from Arbury Hills and Dennis Wheeler from Lincoln Estates.

The oldest group, also in the Lincoln-Way Colt league, is a combined team from Arbury Hills and Lincoln Estates with the manager being Paul Schubert from Arbury Hills and Jordan Marzano as coach from Arbury Hills and Bud Scheeler as coach from Lincoln Estates.

There will be an increased need for ladies to help out at the refreshment stand this year, since there is an increase in the scheduling. Please, ladies, cooperate with Mrs. Lindeman and Mrs. Homer when they ask your help. Don't leave the work to the "clique" as some people call the few willing workers.

The Arbury Hills Civic Association will hold its meeting at the school Tuesday, May 24 at 8 p.m. In addition to the review of the progress of the various committees, there will be a discussion of the possibility of having a special rubbish collection to allow all residents to dispose of their accumulation of old washers, sofas, and etc. which somehow seem to collect in the lots surrounding the outskirts of our area.

Certainly everyone should have an opinion on the beautification of our community. Besides the intrinsic beauty involved, the property value

of the area would improve if the general appearance were improved. A poster & slogan contest on the beautification theme held by the school will be judged.

Do you have an idea which could help in the undertaking? Good new ideas are always welcome. Many times a newcomer to the area has a fresh approach which the long time resident is unaware of.

Following the business meeting, Al Behnke, a local professional photographer will give a talk on improving the amateurs vacation photographs. As we amateurs know, the pictures messed up on a vacation are impossible to take over. You must do it right the first time.

The girls of Junior Scout Troop #103 honored their mothers with a mother-daughter breakfast at the school last Saturday morning.

Following the breakfast, which the girls helped to prepare, each patrol of the troop added its part to the entertainment portion of the program. The general theme of the entertainment was a pat on the back for mom. Thanks kids, it feels good once in a while!

The second Junior Scout Troop #298 had to postpone their planned outing to Van Horne Woods for a cookout, because there was not enough hip boots to get through the mud and water there.

Instead of the planned program, a bar-b-que was held for the girls at the home of Mrs. Robert Dickerson, one of the co-leaders.

The girls are planning an entertainment program for their mothers at the school Friday, May 20. There will be punch and cookies and a short program of entertainment put on by the girls.

The Cub Scouts seem to have the knack for scheduling their father-son weiner outing for the worst possible weather. Soggy wet grounds again caused the affair to be called off. Tough luck, boys, try again.

The Cub Scouts will have their miniature Fun Fair at the school this Saturday for the boys and their families, from 1:30 to 4:30 p.m. The boys are keeping it to themselves about the layout planned, but it promises to be a "fun" time for the whole family.

The First Nighters will have their monthly meeting of the group at the home of Mrs. Edward Hovi, Thursday, May 19 at 8 p.m.

NEW JAMBOREE DATES

Rained out last week the Boy Scout Jamboree of Thunderbird District is reportedly slated now for June 4, 5, 6 in Community Park at Mokena. Wet grounds brought a halt to the original plans for last week. Several years ago the jamboree was held at Mokena and was hit by a terrific storm that flooded park grounds and brought out scores of citizens in addition to members of the fire and police and civil defense departments to get the boys under shelter.

Pre-Schoolers To Have Tests

Vision and hearing tests for Mokena pre-schoolers, between 3 1/2 and 5 years old, will be held in the Carpenter Street School June 8 and 9. Arbury Hills children are included.

Parents who wish to participate in the program must register their children June 1. Registration will take place at the school between the hours of 9 a.m. and 3 p.m.

The Mokena Lions club will provide volunteers to aid in the tests. Mrs. William Bradley Jr., and Mrs. Kenneth Heim will serve as co-chairmen for the group.

The program is sponsored by the Will County Health Department which will provide technicians to administer the test.

An audiometer is used to measure hearing, it was explained, and the test takes less than two minutes. The child listens to several tones of different pitch, thru earphones, and signals as soon as he hears each tone. The range from high to low pitch. If a child hears all the tones his hearing is normal; if he doesn't hear them all he may have a hearing loss. Those who do not pass the first time are given another test, and those who fail again are given a third evaluation, called a threshold test and is more precise. Hearing loss is only confirmed after repeated testing.

Due to the nature of the vision test and the age of the child, a set of training cards and instructions for their use will be given to parents when they register. These cards will be used to play a game that will teach the child how to identify the symbols used in the test.

The purpose of pre-school vision screening is to discover visual problems at an early age when correction can be made more easily.

The vision screening program is geared to detect near-sightedness, amblyopia and crosseye.

Amblyopia is a condition in which a child does not see equally well with both eyes. The condition may result in the weaker eye ceasing to develop because the brain does not want to accept a double image. When this happens the strong eye takes over and the child may become blind in the weaker eye. If the condition is not discovered and treated before the child is 6 years old, chances for recovery in the weak eye are poor, it was said.

Cross eye is a condition in which an eye does not focus on the object at which an individual is looking. Sometimes, the eye is crossed so slightly that it can only be detected thru a screening test or an eye examination. The defect can usually be corrected thru early detection and treatment.

A few days later, those children who do not pass the first test are given another one.

The Womans Guild of Grace Episcopal church will elect officers for the 1966-67 term at their meeting Thursday, May 19. Mrs. Virginia Fox and Mrs. Irene Peterson, nominating chairmen, will present the slate. Mrs. Elda Mae Gougar will be hostess at her home, Gougar at New Lenox road, and Mrs. Patricia Gorman will assist her. The meeting to have been held last week was canceled due to the heavy rains.

A new list of reference books for grade school children, have been placed on the shelves at the local library, Church street. They are: Enchantment of America Series of State Books, seventeen in all: Alaska, California, Florida, Illinois, Iowa, Kansas, Massachusetts, Michigan, Nevada, New Jersey, North Carolina, Ohio, Oklahoma, Oregon, Texas, Utah, and Wisconsin.

The Home-Art club held their annual luncheon Wednesday, May 18 at Jardines in Tinley Park.

The Ruth Circle of the Methodist Church is sponsoring a father-son Chuck Wagon dinner Wednesday, May 25 at 6:30 p.m. in Fellowship hall. The menu will include, crackers and juice as an appetizer; baked ham, baked potato, vegetable, relishes, jello, rolls and apple pie and ice cream for dessert.

Miss Dotte Jean Anderson and Miss Fran Montella spent the past week-end at the tulip festival in Holland, Mich. They visited with Dotte's grandparents, Mr. and Mrs. A. W. Walsh at Saugatuck.

The regular meeting of the New Lenox Township Library Board of Directors was held on Wednesday, May 4. The major item of concern was the need for volunteers to work at the desk, in checking books in and out of the library. Increased use of the Library requires that the Librarian be free to provide other library services as much as possible. It was pointed out at the meeting that any number of persons could be helpful, even on a one-day-a-month basis. Anyone interested in volunteering for this community service is urged to stop at the library and talk to the librarian, Mrs. Irene C. Peterson, or to call her at 485-6180.

Among other items of business at the meeting were the problems of over-due books, the fine schedule, and the fee charged to out-of-district patrons. Mrs. Peterson was instructed to revise the fine schedule, as she deems necessary, and the board voted to increase the Non-resident fee from \$1.25 to \$3.00 per year. This more closely approximates the cost to tax-paying residents of the township.

Long discussion was given to the problem of over-due books which are never returned. The Board decided that after all other efforts to secure the return of books fail, it would be necessary to take legal action of some

sort. Details were to be worked out on this.

Prices for some new library equipment are to be secured, so that the board may make plans as to what can be purchased within this year's budget.

Army 2d Lt. Dennis G. Valy, 21, son of Mr. and Mrs. George G. Valy, 220 Haines ave., New Lenox, completed the Infantry School's three-week airborne course at Fort Benning, Ga., May 7.

His training, which included five jumps from a C-130 airplane flying 170 miles an hour at an altitude of 1,250 feet, qualified Lieutenant Valy as a parachutist. He also underwent strenuous physical conditioning.

He entered the Army in November 1964 and completed basic training at Fort Leonard Wood, Mo.

Valy is a 1963 graduate of Lincoln-Way high school and attended Joliet Junior college. Before entering the Army he was employed by New Lenox Lumber & Hardware Co.

Mrs. Dath, formerly Claire Ryden, and their two children, plan to move to New York about May 30.

Dath is the son of Mrs. Ruth Dath of Mokena.

Mobil Foam Sets Up New Wage Program

A program of improved wages and benefits for hourly paid employees has been announced by Mobil Chemical Company's Foam Products Department in Frankfort. The program will affect approximately 75 employees at the Frankfort plant according to General Manager William C. Peterson.

The new program gives hourly paid employees an initial wage increase, a new wage program, paid meal periods for personnel on continuous operations, jury duty pay and bereavement pay.

Plant Manager Marvin Brownell outlined the new program as follows:

A general wage increase of 5 to 10 cents per hour

became effective April 29. The general increase will be followed by additional adjustments during coming months to fit into a new "job ladder" wage plan. Under this system, an employee can progress up the "rungs" of the wage ladder until he completes his training program. At this point, he becomes eligible for periodic merit increases.

In addition, a 25-cents per hour premium for Sunday work will be paid beginning April 29. Unlike most industries, the production of plastics products typically requires continuous plant operation on an around-the-clock, seven days per week basis. The premium pay, similar to a shift premium, is to compensate the employee for the inconvenience caused by working Sundays.

The workday for operating personnel on a continuous schedule has been shortened from 8 1/2 to 8 hours daily. These employees will now have a paid meals period.

In addition the benefit program for hourly paid personnel has been broadened to include pay for jury duty and for absences due to death in the immediate family.

"Easiest way to stay awake during an after dinner speech is to deliver it."

Telephone Pioneers To Meet

J. Earl Robinson, 124 Ash St., New Lenox, will head a delegation of area telephone employees to the 12th annual assembly of the Theodore N. Vail Chapters of the Telephone Pioneers of America. The meeting will be held May 20-21 in Peoria.

Robinson is senior vice president of the Grand Prairie Pioneer Council, a Vail Chapters affiliate. About 1,000 active and retired telephone employees from Illinois and two counties in Indiana (Lake and Porter) are expected to attend the event at the Pere Marquette hotel.

Highlights of the conclave will be the installation of George O. Niver, Plainfield, as president of the State-Area Chapter which covers all of Illinois except the greater Chicago area. New officers of the Grand Prairie Council will also be installed.

The Pioneers is an organization of active and retired telephone employees with 21 or more years of service. They devote much of their spare time to community service activities.

The gathering will feature workshops and presentations of on-going community service programs, including Pioneer efforts in the statewide tutoring program for educationally disadvantaged children.

J. W. Cook, Illinois Bell president, will deliver the keynote address at the closing banquet, May 21.

The Grand Prairie Council was organized in 1953 and currently has 330 members from New Lenox and surrounding communities.

L-W Bows To Eagle Ball Club

Mike Derrig pitched a brilliant game for Lincoln-Way in the opening of the district baseball tournament, limiting the Eagles of Sandburg High to one hit but he wound up the loser. Sandburg was the winner 1-0.

Derrig struck out 11 and gave only three walks but got a bit hectic in the first inning and by the time the frame ended Sandburg had scored a run. It proved to be a mighty big run.

Mike got a little close with a pitch to Rick Ade and the ball nicked him, putting him on first. Tom Hofferica then slapped out a single, moving Ade to second. Both runners advanced on a passed ball and Ade came out moments later on an infield out.

The Knights of Lincoln-Way collected a total of five hits but failed to get them going in proper sequence to produce any runs. The Knights never threatened until the fifth, with two men down. Derrig then drew a walk and went to second on a single by Ken Kamradt. Paul Schubert got a short hit--to short it turned out, Derrig tried to make it home to tie the score but was thrown out at the plate.

That contest left Lincoln-Way with a record of four wins and nine losses and a tie game.

The Knights had good pitching on most occasions but were a bit weak at times in defence.
